Farm notes: Last Tuesday was a rough morning for the farm and many others in the area. We had some fields as low as 26 degrees F, where we melted down chicories that were mid-harvest and our entire potato crop. While the potatoes will re-sprout, yields will be lower and harvest will be delayed by roughly a month; late May new potatoes just came off the menu. The *catkins on six of our eight acres of Hartley Walnuts singed off entirely in the frost, while the 2 acres of larger trees might still have some nuts up high. Time will tell. We had water running on our first tomatoes so they fared well. We always wait until after the fateful full moon of April to plant out the second planting and the peppers, which will be followed by the eggplant. All of the early peas and the foliage on the second peas took a wallop as well. Some will receive shelling peas in your boxes this week, the white scarring on the shell is frost damage. The edible pod sugar snaps and snow peas were decimated by that same scarring. The early sweet corn took a hit but might re-sprout; we will plant more late this week or early next depending on this next rain. Young pomegranates and figs defoliated in the freeze but these don't represent much of a crop loss as we didn't expect much from them this year. The sparse apricots that managed to survive the February freeze look like they made it through this one and all the Winter veggies just get sweeter with frost. These are the risks we all roll with and part of why we grow so many different crops. I hope all of your gardens are growing well!

Please pick up your veggie box on your delivery day so that it stays fresh and we can ensure quality. **During the hot days of summer, the earlier you are able to pick up the better**

We appreciate your feedback.

Encourage family, neighbors, friends and colleagues to sign-up for the Riverdog Farm CSA. You can create an account for the member and pay the balance with a check sent to the farm or credit card. Print or email the "WELCOME" email or mail your generous gift to the recipient.

The weekly box contents are subject to change (from the box contents listed in the weekly newsletter). We include a list of box contents in the newsletter to give you an idea of what to expect but it may differ from what is packed. Crop quality, daily yields and weather conditions will determine final box contents each week.

Chicken Announcements:

1. Chicken subscriptions are available. You can choose a desired weight between 3 lbs and 6 lbs. The whole chickens (with head and feet) are \$6 per lb. The whole chickens (without head and feet, subject to availability) are \$8.50 per lb. All meat raised on the farm is pasture fed. The animals are CCOF certified organic but cannot be labeled as organic due to being processed in a facility that is not certified organic. To begin a chicken subscription, add a chicken to your account 2 days before your delivery day.

2. Webstore Orders: There are whole chickens and ½ smoked chickens available on the web store. Try out a chicken with no subscription commitment. If you like it, add it to your account as a weekly or bi-weekly subscription.

Whether you leave the box at the site or take it home to return the following week, please collapse your box carefully to prevent tearing of the end flaps. Slowly bend the two end panels towards the outer ends first then flatten the whole box by gently folding the rest.

Give your account 48 hours to update when making changes. For example, when changing your account status from permanent hold to active by charging your credit card, the process may take up to 48 hours to update. The auto-pay option button is at the bottom of your account page. Please click it for auto-renewal of your CSA subscription and to ensure uninterrupted weekly veggie box deliveries.

The Frog Hollow fruit box is available to add to your CSA account. Due to logistics, the Frog Hollow Fruit Boxes are only available to the **Wednesday/Thursday/Friday** subscribers. CSA subscribers who pick up on Tuesdays/Thursdays/Saturdays, at the Berkeley farmers markets may purchase directly from Frog Hollow. 12:00 pm Sunday is the deadline to change your account for the fruit box. If you enter a hold any time after that, we can cancel delivery of the box, but your account may still be charged the full amount for the fruit box. Frog Hollow CSA boxes come with 3-4 varieties of seasonal tree-ripened, exceptionally tasty stone fruits. As part of their commitment to sustainability, Frog Hollow works hard to avert food waste. You can expect to see ripe, cosmetically imperfect fruit and small or large pieces of fruit in the fruit boxes. These characteristics should not affect the deliciousness of what you receive. Visit their web site to learn more about their CSA program, farm philosophy, fruits and recommendations: www.froghollow.com

Reminder: So that your subscription continues uninterrupted, please make sure your credit card on file is up to date on your CSA account. For those who need to end the CSA subscription before your balance is at \$0, email the farm to request cancellation. You may put your account on a DELIVERY hold if you will be gone for periods of time.

For any changes you need to make to your account, the cut off time is 12:00 NOON, 2 days before your delivery day. Remember to make any changes to your account such as payment renewal, webstore orders or delivery holds by 12:00 NOON, 2 days before your delivery day. Thank you!
