**Farm notes:** The past week has continued the apocalyptic theme of 2022 with our third red flag warning and two power outages. We are in our fourth red flag warning now. Last week we had three grass fires in our Capay Valley Fire District; an extraordinary number for mid-May. The early fire starts and power outages led me to start our seasonal packing shed back-up generator rental a month earlier than before. And we will probably have this three phase generator until mid to last November, depending on when the rain really starts. Here's to hoping we will be able to return it by mid-October this year! Amazingly our water wells are holding up much better this year than they were for this same time period last year. We are planning for Cache Creek to be a rock garden sometime in the next two or three weeks which in typical drought years means that several of our ground water sources will go dry within six weeks of that date. I am cautiously hopeful that our ground water will hold up better this year than the past extremely dry years, probably for no good reason but as of yet they look strong. We plan to fallow almost half of our acreage this summer and fall due to our projected water shortfalls; buy worry not, this will not affect our CSA boxes or farmers markets, it will be seen at our wholesale sales level.

The Old-Timers maintain that the LNU fires that cleared this hills off in 2020 are probably responsible for this improved ground water scenario this year; it will be interesting to see how it holds up this year with only some 12 inches of rain. Last year we only had 5 ½ inches of rain and ground water did not hold up well. Wishing all of us luck as we move forward into summer.

**Reminder:** A/B delivery schedules are every other week. They aren't always 1st/3rd or 2nd/4th weeks due to some months having 5 weeks. **Make sure your name is on the list AND you only take the items listed next to your name.**

Encourage family, neighbors, friends and colleagues to sign-up for the Riverdog Farm CSA. You can create an account for the member and pay the balance with a check sent to the farm or credit card. Print or email the "WELCOME" email or mail your generous gift to the recipient.

The weekly box contents are subject to change (from the box contents listed in the weekly newsletter). We include a list of box contents in the newsletter to give you an idea of what to expect but it may differ from what is packed. Crop quality, daily yields and weather conditions will determine final box contents each week.

#### **Chicken Announcements:**

**1. Chicken subscriptions** are available. You can choose a desired weight between 3 lbs and 6 lbs. The whole chickens (with head and feet) are \$6 per lb. The whole chickens (without head and feet, subject to availability) are \$8.50 per lb. All meat raised on the farm is pasture fed. The animals are CCOF certified organic but cannot be labeled as organic due to being processed in a facility that is not certified organic. To begin a chicken subscription, add a chicken to your account 2 days before your delivery day.

**2. Webstore Orders:** There are whole chickens and ½ smoked chickens available on the web store. Try out a chicken with no subscription commitment. If you like it, add it to your account as a weekly or bi-weekly subscription.

Whether you leave the box at the site or take it home to return the following week, please collapse your box carefully to prevent tearing of the end flaps. Slowly bend the two end panels towards the outer ends first then flatten the whole box by gently folding the rest.

**Give your account 48 hours to update when making changes.** For example, when changing your account status from permanent hold to active by charging your credit card, the process may take up to 48 hours to update. The auto-pay option button is at the bottom of your account page. Please click it for auto-renewal of your CSA subscription and to ensure uninterrupted weekly veggie box deliveries.

**The Frog Hollow fruit box is available to add to your CSA account.** Due to logistics, the Frog Hollow Fruit Boxes are only available to the **Wednesday/Thursday/Friday** subscribers. CSA subscribers who pick up on Tuesdays/Thursdays/Saturdays, at the Berkeley farmers markets may purchase directly from Frog Hollow. 12:00 pm Sunday is the deadline to change your account for the fruit box. If you enter a hold any time after that, we can cancel delivery of the box, but your account may still be charged the full amount for the fruit box. Frog Hollow CSA boxes come with 3-4 varieties of seasonal tree-ripened, exceptionally tasty stone fruits. As part of their commitment to sustainability, Frog Hollow works hard to avert food waste. You can expect to see ripe, cosmetically imperfect fruit and small or large pieces of fruit in the fruit boxes. These characteristics should not affect the deliciousness of what you receive. Visit their web site to learn more about their CSA program, farm philosophy, fruits and recommendations: [www.froghollow.com](http://www.froghollow.com)

**Reminder:** So that your subscription continues uninterrupted, please make sure your credit card on file is up to date on your CSA account. For those who need to end the CSA subscription before your balance is at \$0, email the farm to request cancellation. You may put your account on a DELIVERY hold if you will be gone for periods of time.

For any changes you need to make to your account, the cut off time is 12:00 NOON, 2 days before your delivery day. Remember to make any changes to your account such as payment renewal, webstore orders or delivery holds by 12:00 NOON, 2 days before your delivery day. Thank you!

# Roasted Fennel, Turnips and Carrots

<https://sizzleandchill.com/2020/03/25/roasted-fennel-turnips-and-carrots/>

## **Ingredients**

- 2 medium bulbs of fennel, trimmed and sliced (reserve some fronds)
- 6 medium turnips, peeled and cut into quarters (or smaller)
- 4 medium carrots, peeled and cut into large chunks
- 2 large spring onions (or one small red onion), cut into chunks
- 2 tablespoons olive or avocado oil
- Kosher salt and black pepper to taste
- 3 cloves garlic, crushed
- 1 Tablespoons balsamic vinegar (optional)

## **Instructions**

1. Preheat oven to 425 degrees. Toss all veggies with oil, salt and pepper in a large, shallow baking pan, like the bottom of a broiler pan. Spread them in a single layer. If you can't fit all your veggies in one pan, use two. You really want the veggies to brown and caramelize.
2. Roast for about 10 minutes then stir them a bit, trying to turn them over. Roast another 10 to 15 minutes until they're getting browned and carrots and turnips are getting soft enough to easily spear with a fork.
3. Add the garlic and stir, and roast for another few minutes. Sprinkle with balsamic vinegar if desired. Top with chopped fennel fronds before serving.
