Farm notes: We are hanging onto our Spring harvest lineup as long as we can this year as our crazy latest frost ever, May 11, really knocked back the timing on our summer glory. Amazingly, despite some moments of intense heat we are also frolicking in some deliciously cool days too! Over the weekend we were in the mid-80's - unheard of high temps for this time of year. We are happy to have them and the greens continue to look and taste delicious. The broccoli isn't as deep green as we wish but flavor is still great. Remember to eat your broccoli greens! Cauliflower (sorry, not enough for your boxes) is a little too intense for all but the seriously cauliflower deprived. We have white and green cauliflower available at the farmers' market if you're intrigued. We are three weeks into hand harvesting 8 different varieties of potatoes and look forward to using our small mechanized digger as their skins set. The mid-April frost that knocked down the potatoes delayed their harvest but yield looks good so far and they are delicious!

This week we have our own Royal Blenheim apricots. Remember to eat them quickly and refrigerate them if you need to hold them. They are ripe when they have a green shoulder - this variety ripens from the inside out. I personally love them when you can suck them out of their skins but some folks prefer them firmer. Our harvest is tiny this year due to a deep freeze during February that knocked the blossoms on almost all of our fruit trees. It has been a Winter and Spring of freezes - hopefully this points to serious rain next winter! Enjoy enjoy!

The whole chickens (without head and feet) are \$8.50 per lb. All meat raised on the farm is pasture fed. The animals are CCOF certified organic but cannot be labeled as organic due to being processed in a facility that is not certified organic. To begin a chicken subscription, add a chicken to your account 48 hours before your delivery day. Your account is deducted with the actual price of the chicken at midnight the day after delivery.

2. Webstore Orders: There are whole chickens and . smoked chickens available on the web store. Try out a chicken with no subscription commitment. If you like it, add it to your account as a weekly or bi-weekly subscription. Whether you leave the box at the site or take it home to return the following week, please collapse your box carefully to prevent tearing of the end flaps. Slowly bend the two end panels towards the outer ends first then flatten the whole box by gently folding the rest.

Give your account 48 hours to update when making changes. For example, when changing your account status from permanent hold to active by charging your credit card, the process may take up to 48 hours to update. The Frog Hollow fruit box is available to add to your CSA account. Due to logistics, the Frog Hollow Fruit Boxes are only available to the **Wednesday/Thursday/Friday** subscribers. CSA subscribers who pick up on Tuesdays/Thursdays/Saturdays, at the Berkeley farmers markets may purchase directly from Frog Hollow. 12:00 pm Sunday is the deadline to change your account for the fruit box. Frog Hollow CSA boxes come with 3-4 varieties of seasonal tree-ripened, exceptionally tasty stone fruits. As part of their commitment to sustainability, Frog Hollow works hard to avert food waste. You can expect to see ripe, cosmetically imperfect fruit and small or large pieces of fruit in the fruit boxes. These characteristics should not affect the deliciousness of what you receive. Apricot Sorbet

<https://www.yummly.com/recipe/Apricot-Sorbet-473315?prm-v1>

2 lbs. squishy-ripe fresh apricots (about 10-15, I used more because mine were small)
1 cup water
1 cups sugar
3 drops almond or vanilla extract

Directions:

Split the apricots in half, remove the pits, and cut each half into thirds. Combine the apricot wedges and water in a medium nonreactive saucepan and cook, covered, over medium heat, stirring occasionally. Heat until cooked through, about 10 minutes. Remove from the heat and stir in the sugar. Let the mixture cool to room temperature.

Once cool, puree the mixture in a food processor or blender until smooth. Taste a spoonful and if there are any small fibers, press the puree through a mesh strainer. Stir in the almond or vanilla extract. Cover and chill thoroughly in the refrigerator.

Freeze the mixture in your ice cream maker according to the manufacturer's instructions.
