Riverdog Farm's Community Supported Agriculture (CSA) program delivers seasonal, organic produce directly from our farm to a convenient location in your neighborhood.

For our farm, the CSA program provides a reliable base of customers who enjoy the vegetables that we grow. Subscribers benefit by eating healthy, farm-fresh, organic produce. You have a direct link to the land and to the farmers who grow your food!

The content of the veggie box varies from week to week and provides ample vegetables for a household of two. A typical box during winter looks like the following:

- 1 bunch Carrots
- 1 bu Chard or Kale
- 1 bu Red or Chioggia Beets
- 2-3 Stalks Leeks
- ¾ lb Baby Spinach or Baby Braising Mix
- 1½ lbs Yellow Finn Potatoes
- 1 lb Broccoli or Cauliflower
- 1½ lbs Mandarins or Navel Oranges

Included in each veggie box is a weekly newsletter, which provides our subscribers with field notes, box content notes, recipes, event announcements, and payment notices.

Payment Information

Each veggie box delivery is \$20. Payments can be made on a monthly or quarterly basis and are due in advance of the coming term. To make appropriate monthly payments, count the number of delivery days in a month and multiply by \$20 per delivery day. You will not receive bills, but payment notices for the coming term are posted in the weekly newsletters.

We accept checks or money orders. Do not send cash. Make checks payable to Riverdog Farm and mail payments to our address.

Pick-Up Procedures

With each week's delivery, there is a sign-out sheet with a list of names. Please check the sheet to find your name, then sign out a box.

Also, the sign-out sheet has an "Ordered Through" column, which reflects the date through which your deliveries are paid. Please check the column to help keep track of your deliveries.

We reuse the cardboard box from the previous week. Please return the box to the site, and leave the box flattened in a neat stack. We will pick-up the empty boxes with the next delivery.

Renewals & Skips

A subscription renews with receipt of payment for the coming term. Without receipt of payment, the subscription will end following delivery of the final prepaid veggie box.

We accommodate skips for vacations and work-related departures. To skip a delivery, please notify us by phone or email at least two days before the delivery day. If we do not receive a notice to skip a delivery, and we deliver your box as usual, your account is charged for the delivery regardless of pick-up.

If your delivery is skipped, the portion of your payment originally applied toward a delivery on the date of the skip rolls over to the next term.

And always, please contact the farm directly by phone or email with any questions or concerns.
