Box Notes: This is the last week of the Tango Mandarins. They are CCOF-certified organic from Gold Oak Ranch. They are a tangy-er, tighter-peel mandarin, great juicing mandarins or for fresh eating. You will get yellow carrots in the box this week. The yellow carrots yield sweeter flavor at maturity while also retaining healthy texture.

Field Notes: We were so happy to have a bit of rain yesterday and the forecast says we will get some more on Thursday. With this rain and a bit of warmer weather, we hope to have enough asparagus to put in next weeks box. When it starts to grow, we sometimes have to harvest the spears twice daily as it grows so fast. Overnight, the asparagus can grow about 6 inches! The coveted asparagus season lasts about 2 months. During the season, we try to include 1 bunch in each weekly veggie box.

And we will be crossing our fingers for multiple days of rain.

For 2021, there's space for new CSA members to join. Please encourage neighbors, friends and colleagues to sign-up for the Riverdog Farm CSA. We offer Gift Certificates (on the webstore) or you can sign up your friends and family members with a check or credit card. Print or email the Welcome email to send to the gift recipient.

Webstore Features:

- Pastured Whole Chickens and Pastured Pork Cuts
- Raw Mission Almonds, Raw Hartley Walnuts and vegetable items are available by the case. Visit: https://csa.farmigo.com/store/riverdogfarmcsa to place your orders. Please place your orders by noon, 2 days before your delivery day to ensure same week delivery.

Announcement for Chicken subscribers and for folks ordering chickens from the webstore: you now have the ability to specify your preferred chicken weight. There are several weights listed to choose from: 3.5 lbs to 6.5 lbs, by the $\frac{1}{2}$ lb increment. Please login to your account and select the size you'd like. You can change the size as needed but once selected, that will be the approximate weight you receive. Make any changes by noon 48 hours before your deliver day. Thank you!

The weekly box contents are subject to change. We include a list of box contents in the newsletter to give you an idea of what to expect but it may differ from what is packed. Crop quality, daily yields and weather conditions will determine final box contents each week.

Please pick up your veggie box on your delivery day. Please pick up your CSA order on your delivery day so that it stays fresh and we can ensure quality. CSA site hosts may donate any unclaimed items no sooner than 24 hours after the original pick up day and time week of 3pm. After 24 hours (3pm the following day) unclaimed/forgotten orders may no longer be available and the subscriber absorbs the subscription cost for that week's order.

New CSA Announcements:

- 1. Chicken subscriptions are available AND now you can choose a desired weight in whole numbers between 3lbs and 6lbs. The whole chickens (with head and feet) are \$6 per lb. The average weight is 3.5 to 7 lbs. All meat raised on the farm is pasture fed. The animals are CCOF certified organic but cannot be labeled as organic due to being processed in a facility that is not certified organic. Your account is updated weekly with the actual weight packed for you. To begin a chicken subscription, add a chicken to your account 48 hours before your delivery day. Your account is deducted with the actual price of the chicken at midnight the day after delivery.
- 2. Webstore Orders: There are chickens available on the web store. Try out a chicken with no subscription commitment. If you like it then add it to your account as a weekly subscription. There are also a limited supply of half, smoked hams available.

Site hosts: Please email the CSA manager by the morning following the delivery day about any unclaimed CSA boxes. This way, we can contact CSA subscribers to remind them to pick up their veggie boxes.

Please check your CSA account for the most up-to-date information such as your next delivery from our farm.

Caramelized Fennel: The Best Fennel You'll Ever Eat

https://www.freshcityfarms.com/recipes/caramelized-fennel-the-best-fennel-you-ll-ever-eat

Ingredients

2 large fennel bulbs 1/4 cup extra virgin olive oil 1/2 lemon

- 1. Using a very sharp knife, cut the top and bottom from the fennel bulbs and then remove tough or bruised outer layers. You will end up with a bulb about the size of your fist.
- 2. Slice the bulbs in half and then remove the cores from the fennel. Then cut the fennel lengthwise into 1/8 inch slices (it is ok if a little thicker).
- 3. Heat a large skillet or sauté pan over medium-high heat. When hot, add the olive oil and then the fennel slices. Spread the fennel out in the pan to encourage browning.
- 4. Cook for 10-12 minutes, flipping the fennel slices every few minutes, until golden brown. Remove the fennel from the pan and drain off any excess oil. Season with salt, pepper and lemon juice, to taste. Serve.

Roasted Carrots, Parsnips and Daikon Radishes

https://dollyskettle.com/2018/09/08/roasted-carrots-parsnips-and-daikon-radishes/

- · parts of different color carrots, peeled and sliced diagonally in 1/4" slices
- 2 small parsnips, peeled and sliced diagonally in 1/3" slices or cut in 3/4" pieces
- part of a white or purple daikon radish, peeled and cut into 3/4" pieces
- · yellow or red onion, sliced in wedges
- · 4 4 1/2 tablespoons avocado oil
- · 2 tablespoons fresh oregano, chopped fine
- · salt

Place the onion wedges in a small bowl and sprinkle with $1 \cdot 1/2 - 2$ tablespoons of oil depending on the size of the onion and mix with your fingers to coat all the pieces with oil. Place the remaining vegetables and oregano in a larger bowl and drizzle the remaining oil over them, spreading the oil over all the vegetables using your fingers. Spread the onions on a parchment lined sheet pan. Roast the onions in a 425 degree oven for 8 minutes. Pour the vegetables over the onions and stir them in spreading them evenly over the pan. Sprinkle with salt. Return to oven. You'll be roasting them anywhere from 30 to 45 minutes depending on the size you've cut them and the tenderness of the vegetable.

Begin checking for tenderness at 30 minutes. I've found that the best way to do this is by sticking a fork in each kind of vegetable and tasting them. When I think they are done, I give them an additional 5 to 10 minutes keeping an eye on them so they don't burn. There's a point where the onions have slightly caramelized and the vegetables have the wonderful roasted texture that is the ideal.
