We would like to inform our members that we are taking precautionary measures to ensure the health and safety of our farm employees, community and our customers. We are a CCOF certified organic farm. We are also certified annually for Good Agricultural Practices standards (GAP), a food safety certification program conducted by CCOF. Riverdog Farm employees are trained annually in safe food handling practices. It's our policy for farm employees who may have symptoms of illness to stay home.

To continue to support the farm during these challenging times please consider boosting your weekly subscription to include eggs, pastured meat and/or increase your order to 2+ veggie boxes:

- Add Riverdog Farm CCOF certified organic <u>eggs</u> to your weekly or bi-weekly CSA delivery. Just follow this link: <u>https://csa.farmigo.com/account/riverdogfarmcsa</u>
- Chickens are now available. They range from 3-6 lbs.
- Asparagus is available at the markets this week. Then it will be included in the CSA veggie boxes, when we have enough for each veggie box.
- Carrots will be harvested and available at markets the week of the 23rd. You can pick these up and our other veggies at the 3 Berkeley markets on Tuesday, Thursday or Saturday, and the Sunday market in Sacramento.
- Holiday hams are now available. We have a limited supply. Place your order now for delivery with your next CSA order or pick up at market or email the farm csa@riverdogfarm.com to reserve one. Place your orders for spring hams by 9:00 am, Monday April 6, 2020 for timely delivery. We have a limited supply of hams so please place your order early. The weight range is 8.93 -11.5 lbs per ham. Riverdog Farm hams are smoked and cured at Roundman's in Ft. Bragg. They are delivered frozen, in a cooler, to your CSA delivery site. Please return the cooler to the drop site the following week or leave it there at the time of your order pick up.

The mandarins are from Gold Oak Ranch and are CCOF-certified organic.

Field Notes: Rain, Rain, come and stay... a major change in the weather pattern is ahead, looks like rain in Northern California all week! We are very pleased about the weather forecast. It also looks there will be some frost which enhances the sweetness of all the winter crops. We started to transplant 15 varieties of tomatoes. They will be frost-protected with overhead irrigation lines.

Reminder: Please make sure your credit card on file is updated on your CSA account so you subscription continues uninterrupted.

Scarlet Queen Red Turnip Salad

From: https://dunkandcrumble.com/2012/08/08/scarlet-queen-red-turnip-salad/

small bunch Scarlet Queen Red turnips, washed and sliced into 1/4-inch thick rounds
medium cucumber, largely diced (1/2-inch cubes)
scallions, light green and white parts only, sliced thinly into rounds
1/4 cup shelled pistachios
1/4 cup crumbled feta cheese
salt and pepper, to taste
juice of 1 lemon
tablespoons extra virgin olive oil
In a medium salad bowl, combine the turnips, cucumber, scallion, and pistachios. Sprinkle feta cheese on top, as well as a big pinch each of salt and black pepper. Drizzle lemon juice and olive oil over salad, and toss gently to combine.

Serve immediately (if you need to make the salad ahead of time, combine everything but the feta, salt, pepper, lemon juice and olive oil — add these ingredients just before serving).

Spring Onion and Potato Soup

From : https://www.archanaskitchen.com/spring-onion-soup

2 tablespoons Butter

1 cup Spring Onion (Bulb & Greens) , chopped

5 cups Water , or vegetable broth

1 Potato (Aloo) , boiled & peeled

Salt and Pepper , to taste

Coriander (Dhania) Leaves , small bunch, freshly chopped or mint leaves

To begin making the Potato and Spring Onion Soup Recipe, we will first cook the spring onions.

In a heavy-bottomed sauce pan, melt the butter and add the onions, along with salt and pepper to taste. Saute for a few minutes, until the onions are softened, then add broth/water and bring the mixture to a boil. Reduce heat, cover, and allow to simmer for 10 minutes.

Puree the onion mixture, along with the boiled potato in a food processor or blender until smooth, then put the soup back in the pot, and bring the soup to a brisk boil.

Adjust the salt and pepper to suit your taste and garnish with coriander or mint leaves.

Serve the Potato and Spring Onion Soup along with with Cheesy Bruschetta With Capsicum And Tomatoes Recipe and Lip Smacking Lemonade Cupcake Recipefor dinner on cold winter nights or even on a rainy day of monsoons.

Note: adjust the consistency of the soup by adding little less or more of the stock/ water. I personally like the soups to be on the thinner side and hence add a more stock.

Cool Mandarin Dessert

From: https://www.tasteofhome.com/recipes/cool-mandarin-dessert/

1 can (11 ounces) mandarin oranges (RDF edit: Fresh Mandarins)

2 packages (.3 ounce each) sugar-free orange gelatin

2 cups boiling water

1 pint orange sherbet, softened

Fresh mint, optional

Drain oranges, reserving the juice, add enough water to juice to measure 1 cup. Refrigerate the oranges.

In a large bowl, dissolve gelatin in boiling water. Stir in reserved juice. Add sherbet, stirring until dissolved. Refrigerate for 1 hour or until thickened.

Keep 10 orange segments refrigerated for garnish. Fold remaining oranges into gelatin mixture; cover and refrigerate overnight. Just before serving, garnish with reserved oranges and mint if desired.
