**Box Notes:** You will find a basket of CCOF certified Organic strawberries in your box from our friends at Terra Firma Farm in Winters. Enjoy.

**Farm notes:** In classic April form we roll from hard frost and almost wet, cumulative 0.65" last week, to warm and balmy today and for the next week plus. The scorched potatoes have already re-sprouted and promise to regain their former size in a week or two. Sweet corn planted during those hot days of late March were almost written off as lost after last week's frost have rebounded after frost and continued to germinate so that we now have a decent looking stand. Time to cultivate and cultivate some more to push everything along. To celebrate its resurgence we planted another round on Saturday - although they are more than 3 weeks apart, they will probably harvest a week to ten days apart; such is the math of spring. Melons, zukes and cukes are still germinating in that field, so we will wait another few days to sow the next generation. More spinach and arugula go in tomorrow, Tuesday, and we will probably do one more limited round in May, depending on which way the heat is settling. Melon and cucumber transplants will slide into the field on Friday and Saturday. The hens are holding their Spring production well through these fluctuations. The first heat waves that touch 100F in May or June will slow them down, especially the older hens. If you're on the fence about signing up for an egg subscription, do it soon as we will probably close down new egg subscriptions for the season by mid-late June. There are 1,500 new chicks in the brooder trailers now; they will start laying in Mid-September as the rest of the flock slows down to carry us through the dark of the year. Hard to imagine that coming so quickly now! Think about an egg subscription now...

Winter planted kales are just starting, these Collard Greens are the leading edge of a new wave of greens.

Enjoy! Riverdog Tim

### **Chicken Announcements:**

**1. Chicken subscriptions** are available. You can choose a desired weight between 3 lbs and 6 lbs. The whole chickens (with head and feet) are \$6 per lb. The whole chickens (without head and feet, subject to availability) are \$8.50 per lb. All meat raised on the farm is pasture fed. The animals are CCOF certified organic but cannot be labeled as organic due to being processed in a facility that is not certified organic. To begin a chicken subscription, add a chicken to your account 2 days before your delivery day.

**2. Webstore Orders:** There are whole chickens and ½ smoked chickens available on the web store. Try out a chicken with no subscription commitment. If you like it, add it to your account as a weekly or bi-weekly subscription.

Whether you leave the box at the site or take it home to return the following week, please collapse your box carefully to prevent tearing of the end flaps. Slowly bend the two end panels towards the outer ends first then flatten the whole box by gently folding the rest.

**Give your account 48 hours to update when making changes.** For example, when changing your account status from permanent hold to active by charging your credit card, the process may take up to 48 hours to update. The auto-pay option button is at the bottom of your account page. Please click it for auto-renewal of your CSA subscription and to ensure uninterrupted weekly veggie box deliveries.

**The Frog Hollow fruit box is available to add to your CSA account.** Due to logistics, the Frog Hollow Fruit Boxes are only available to the **Wednesday/Thursday/Friday** subscribers. CSA subscribers who pick up on Tuesdays/Thursdays/Saturdays, at the Berkeley farmers markets may purchase directly from Frog Hollow. 12:00 pm Sunday is the deadline to change your account for the fruit box. If you enter a hold any time after that, we can cancel delivery of the box, but your account may still be charged the full amount for the fruit box. Frog Hollow CSA boxes come with 3-4 varieties of seasonal tree-ripened, exceptionally tasty stone fruits. As part of their commitment to sustainability, Frog Hollow works hard to avert food waste. You can expect to see ripe, cosmetically imperfect fruit and small or large pieces of fruit in the fruit boxes. These characteristics should not affect the deliciousness of what you receive. **Reminder:** So that your subscription continues uninterrupted, please make sure your credit card on file is up to date on your CSA account. For those who need to end the CSA subscription before your balance is at \$0, email the farm to request cancellation. You may put your account on a DELIVERY hold if you will be gone for periods of time.
