Box notes: It's mid-July already and we're into the full swing of summer!! Our first corn harvest has begun. Due to incomplete pollination randomly throughout this corn planting, we're including 6 ears of corn in the veggie boxes for the price of 4 ears of corn. The corn is great boiled, or cut off the cob to add raw to salads or beans. Some of the farmer's market staff ate raw corn straight off the cob for their first time last weekend and they were blown away by the sweetness. Corn is one our favorite crops to grow because we are from the mid-west where corn is prolific and enjoyed often in July and August.

Field Notes: Three days over 110 degrees last weekend!! We are ready for more normal summer weather but it's unknown how the weather will be. With aberrant weather patterns throughout the country and the world, all we can expect is the unexpected.

Pickling Cucumbers: 10 lb case for \$30.00 Check out this quick pickling cucumber recipe for ideas: <https://www.themediterraneanandish.com/quick-pickled-cucumber-recipe/>.

Pick up changes/updates: The 45th Street CSA pick-up site is closing. The last delivery date at the 45th Street site will be July 7, 2021. Fallon, the CSA Manager will email subscribers who pick up at the 45th Street site to provide updates on selecting a new pick-up site in the same or nearby neighborhood. Thank you to the 45th Street site host for many years of being a CSA delivery site!

Announcement for Chicken Subscribers and for folks ordering chickens from the webstore: you now have the ability to specify your preferred chicken weight. At the moment, the weight range is 3.5 lbs to 4.5 lbs, by the half pound increment. Larger chickens will be available in a few months. Look for announcements in the newsletter about the changes to available chicken weights. Please log in to your account and select the size you'd like. You can change the size as needed but once selected, that will be the approximate weight you receive. Make any changes by noon 48 hours before your delivery day. Thank you!

The weekly box contents are subject to change (from the box contents listed in the weekly newsletter). We include a list of box contents in the newsletter to give you an idea of what to expect but it may differ from what is packed. Crop quality, daily yields and weather conditions will determine final box contents each week.

Please email the farm csa@riverdogfarm.com to confirm cancellation of your CSA membership.

Site hosts: Please email the CSA manager by the morning following the delivery day about any unclaimed CSA boxes. This way, we can contact CSA subscribers to remind them to pick up their veggie boxes.

Reminder: A/B delivery schedules are every other week. They aren't always 1st/3rd or 2nd/4th weeks due to some months having 5 weeks.

New CSA Announcements:

- 1. Chicken subscriptions** are available. You can choose a desired weight in whole numbers between 3 lbs and 6 lbs. The whole chickens (with head and feet) are \$6 per lb. The average weight is 3.5 to 7 lbs. All meat raised on the farm is pasture fed. The animals are CCOF certified organic but cannot be labeled as organic due to being processed in a facility that is not certified organic. Your account is updated weekly with the actual weight packed for you. To begin a chicken subscription, add a chicken to your account 48 hours before your delivery day. Your account is deducted with the actual price of the chicken at midnight the day after delivery.
- 2. Webstore Orders:** There are chickens available on the web store. Try out a chicken with no subscription commitment. If you like it then add it to your account as a weekly subscription. There are also half, smoked hams available.
- 3. Avedano's Members:** Please pick up your CSA boxes and all other orders at the ordering window so the Avedano's crewmember can cross off your name. We are changing this pick up policy due to product loss. If you have any questions, comments or concerns, please email csa@riverdogfarm.com. Please return your CSA boxes to Avedano's. Please flatten the boxes without tearing.

Riverdog Farm has an Instagram account. Find us via our Instagram handle: riverdogfarm. On our account, we share images of the crops, farming, re-posts of your farm fixings photos and videos and provide market/CSA updates.

Whether you leave the box at the site or take it home to return the following week, please unfold (collapse) your box carefully to keep the end flaps from tearing. Slowly bend the two end panels towards the outer ends first then collapse (flatten) the whole box by gently folding the rest.

Give your account 48 hours to update when making changes. For example, when changing your account status from permanent hold to active by charging your credit card, the process may take up to 48 hours to update. The auto-pay option button is at the bottom of your account page. Please click it for auto-renewal of your CSA subscription and to ensure uninterrupted weekly veggie box deliveries.

Due to logistics, the Frog Hollow Fruit Boxes are only available to the **Wednesday/Thursday/Friday** subscribers. CSA subscribers who pick up on Tuesdays/Thursdays/Saturdays, at the Berkeley farmers markets may purchase directly from Frog Hollow. 12:00 pm Sunday is the deadline to change your account for the fruit box. If you enter a hold any time after that, we can cancel delivery of the box, but your account may still be charged the full amount for the fruit box. Frog Hollow CSA boxes come with 3-4 varieties of seasonal tree-ripened, exceptionally tasty stone fruits. As part of their commitment to sustainability, Frog Hollow works hard to avert food waste. You can expect to see ripe, cosmetically imperfect fruit and small or large pieces of fruit in the fruit boxes. These characteristics should not affect the deliciousness of what you receive. Visit their web site to learn more about their CSA program, farm philosophy, fruits and recommendations: www.froghollow.com.

- **Keeping it safe:** We are so pleased to announce that the majority of the farm employees, including farmer's market staff, have been vaccinated for COVID-19 thanks to the free vaccination program implemented by Yolo County in partnership with Yolo County Department of Health, the Yocha Dehe Fire Department and local farms who hosted vaccination clinics. The new mask ruling is that employees do not have to wear masks unless they are vaccinated. We look forward to seeing your smiling faces at the farmers markets again!
- **Reminder:** So that your subscription continues uninterrupted, please make sure your credit card is up to date on your CSA account. For those who need to end the CSA subscription before your balance is at \$0, you **MUST** contact the farm through email to request cancellation. You may put your account on a DELIVERY hold if you will be gone for periods of time.
- For any changes you need to make to your account, the cut off time is 12:00 NOON, 2 days before your delivery day. Remember to make any changes to your account such as payment renewal, webstore orders or delivery holds by 12:00 NOON, 2 days before your delivery day. Thank you!

"Delivery hold" is used for short periods of time – use this option 48 hours in advance to schedule the deliveries you are unable to pick up.

"Permanent Hold" is used for long periods of time – use this option if you are gone for extended periods of time and wish to resume your account when you get back. You must change your status to "active" when you return in order to resume deliveries.

"Cancel" is used to delete membership details, this means you would need to re-enter delivery status, subscriptions, and credit card information when you resume the Riverdog Farm CSA

Walnut Parsley Pesto

From: https://www.simplyrecipes.com/recipes/walnut_parsley_pesto/.

Yield 1 1/4 cups

Ingredients

- 1 cup shelled walnuts, about 3 1/2 ounces
- 2 cups chopped parsley, about 1 bunch
- 1/2 cup grated pecorino or parmesan cheese
- 3 garlic cloves, roughly chopped
- 1/2 teaspoon salt
- 1/2 cup extra virgin olive oil

Method

1. Pulse ingredients in food processor:

Put the walnuts, parsley, cheese, garlic, and salt in a food processor and pulse for a few seconds to combine. Scrape down the sides of the bowl, then pulse again.

2. Drizzle in the olive oil:

While the machine is running, drizzle in the olive oil just long enough to incorporate the oil, about 20-30 seconds. Use immediately or cover with plastic wrap and refrigerate to store. Will last several days chilled. Use with pasta or as a spread on bread or toast.
